

Subject: Development of Product Carbon Footprint for
Ongrofoam product group

Budapest, 2023-10-25

Ongropack Ltd.

denkstatt Hungary Kft. has prepared the Product Carbon Footprint (PCF) for the following product group containing the following products:

ONGROFOAM-PVC rigid foam sheet:

Onrofoam BASE
Ongrofoam COLOUR
Ongrofoam EASY USE
Ongrofoam PREMIUM
Ongrofoam ULTRA
Ongrofoam LW
Ongrofoam SD

The PCF and background report have been developed in accordance with the documents ISO 14040/44, ISO 14067, and the Product Life-Cycle Analysis and Reporting Standard (GHG Product Standard).

Considering a cradle-to-gate scope, the carbon footprint of the above-mentioned product group with a functional unit of 1 kg is as follows: **2,25 kg CO₂-equivalent (GWP-total)**.

With best regards,
